The working hours of an apprentice shall be the same as those of journeymen except that the apprentice shall be guaranteed an eight (8) hour day on any day on which the job works for the first year of apprenticeship.

Effective May 1, 2019, carpenter apprentices must work 2000 hours, including school hours to advance to the next pay period to receive an increase in wages.

A carpenter apprentice working at rates based on the previous schedule and/or standard shall continue at those rates until his/her next anniversary date and/or at which time they meet the required hours necessary for an increase at which time he/she will be subject to the revised schedule.

It is agreed a Committee of Management and Labor will meet to develop an Apprentice schedule for all new carpenter Apprentices beginning January 1, 2020, as well as the creation of a new category entitled "Intermediate Journeyman." The new classification may or may not apply to prevailing wage due to compliance issues with DOL. The Committee shall be empowered to finalize language pertaining to the wage/fringe benefit package for all new Apprentices and the Intermediate Journeyworker, the ratio of Apprentices to Intermediate Journeyworkers and Journeyworkers, as well as the requirements to reach Journeyworker status.

Association members shall have the ability to request apprentices at a 1 to 3 ratio.

In the event a contractor has 3 apprentices, one of those apprentices shall be either a 4th or 5th year. On larger crews, it is agreed that there will continue to be a contingent of 4th and 5th year apprentices mixed in with the ratio.

It is in the best interests of all parties that apprentices will not be solely dedicated to routine tasks such as loading/unloading material, fire caulking, or insulating for long periods of time that would infringe on their ability to obtain a well-rounded education while working on job sites. Union representatives and the contractors will work together to insure apprentices get proper well-rounded OJT (on the job training).

In the Matter of the Arbitration

between

**EASTERN ATLANTIC STATES CARPENTERS:
BENEFIT FUNDS¹**

(hereinafter "EASCF" or "Funds")

-and-

STATE-WIDE INSTALLATION INC.

(hereinafter "Employer")

**Before: J. J. PIERSON, Esq.
Permanent Arbitrator**

AWARD and AUDIT ORDER

This matter being opened to J. J. PIERSON, Esq., Permanent Arbitrator designated by the EASCF Trustees, and a hearing having been held on October 26, 2023 through the offices of Eastern Atlantic States Carpenters Funds, conducted at the Law Offices of Kroll, Heineman, Ptasiewicz & Parsons, Edison, New Jersey and by video conference, after due notice of the hearing was issued to the Employer, and Bradley Parsons, Esq. appearing for the EASCF (together with Steve Schaeffer, Arman Razvi and Jacob Madrid, Collectors) and no one appearing for the Employer, it is established that the Employer is bound to a Collective Bargaining Agreement ("Agreement") with the Eastern Atlantic States Regional Council of Carpenters ("Regional Council"²); and

Pursuant to Article XXXII of the Agreement ("Fringe Benefit Funds"), a signatory employer acknowledges the effective Funds (inclusive of predecessors New Jersey Carpenters Welfare and Pension/Annuity Funds, the New Jersey Carpenters Apprentice Training and Education Fund, the New Jersey Carpenters Contractors Trust (NJCCT), UBCJ Health & Safety Fund, and Vacation Fund); recognizes the obligation to remit fringe benefit contributions in amounts set forth in Appendix "A" of the Agreement; and explicitly and expressly agrees to all the terms and condition of the Agreement and Declarations of Trust governing the Funds and Plans relating to each Fund; and

1. As successor to the Northeast Carpenters Funds.

2. As successor to the Keystone Mountain Lakes Regional Council of Carpenters.

The Agreement further addresses the rights of the Funds in seeking delinquent contributions from employers, pursuant to Article XXVI:

2. The Trustees of the respective Funds shall maintain appropriate actions in law or in equity, to collect the proper amount of contributions due, for an accounting of, or for any other appropriate relief. Should legal action be required in order to effect collection of the money owed by the Contractor, or to effect an examination of his books and records, the Contractor shall be responsible, in addition to the money owed, for attorney's fee and disbursements incurred, court costs, plus interest at the rate of twelve (12%) per annum on money, even though actual legal proceeding shave not been begun.

. . . .

4. It is further agreed that the Trustees of any Fringe Benefit Fund or an alleged delinquent employer may request arbitration of any alleged wage or fringe benefit fund delinquencies and arbitration must be heard within thirty (30) days after such request. The decision of the arbitrator shall be final and binding. The arbitration shall be heard in the offices or the applicable Carpenter Funds or in the office of counsel for the Funds and shall be in accordance with the rules of the New Jersey State Board of Mediation. In order to expedite such hearing, a Permanent Arbitrator is herewith designated and approved. Said Permanent Arbitrator is J. J. Pierson. The Permanent Arbitrator shall serve for a period of one year and shall be subsequently reappointed yearly thereafter upon affirmative vote of the Fund Trustees.

Herein, the Funds allege that the Employer is, and was, delinquent in making timely and accurate contributions to the EASCF, as required, on behalf of individuals employed under the Agreement; and

The Funds directed Counsel to pursue collection of the delinquent contributions, by submitting the matter to arbitration in accordance with the Agreement.

Thereafter, the Funds requested the Arbitrator to make a Finding of Fact as to the obligation of the Employer to make benefit fund contributions and to issue an Award and Order requiring the Employer to make payment of the delinquent/deficient contributions.

In addition, the Funds requested the Arbitrator to direct the Employer to post a surety bond, as permitted, pursuant to Article XXVI, Paragraph 3, which states:

3. The Trustees of the respective Funds may require an Employer with a record of delinquencies or an Employer with no previous record of payments to the fringe benefit funds, to post a surety bond obtained from a carrier licensed to do business in the State of New Jersey or cash escrow with the Trustees prior to the commencement of any work by said Trustees but not less than \$5,000.00 and must guarantee the payment of Fringe Benefit payments required under this Agreement to all employees within the unit. A copy of such bond shall be furnished to the Union before the commencement or re-commencement of any work by such employees, or the escrow furnished.

Based on the record presented, this Arbitrator herein **FINDS** that:

The Employer is delinquent in payment of fringe benefit contributions to the EASCF and in violation of its obligations under the Agreement, **for the payroll period of January 1, 2023 through April 30, 2023 in the amount of \$11,272.95.**

It is therefore **AWARDED and ORDERED** that:

1. The Employer, **STATE-WIDE INSTALLATION INC.**, shall make the Funds whole, and pay forthwith, the principal amount of **\$11,272.95** for the payroll period of January 1, 2023 through April 30, 2023, plus interest in the amount of **\$634.27**; and liquidated damages in the amount of **\$2,254.58**.

2. The Employer shall pay reasonable attorneys' fee, forthwith, to the law firm of Kroll Heineman Ptasiwicz Parsons, 91 Fieldcrest Avenue, Suite 35, Edison, New Jersey 08837 in the sum of **\$2,536.41**, which is 22.5% of the principal amount or 22.5% of the adjusted amount shown to be due by the audit ordered herein, plus interest at the rate of 10% from the date of this Award on any part of the attorneys' fees awarded and ordered that is not paid within 30 days of the date of this Award.

3. In accordance with the provisions of the Agreement, the Employer shall reimburse the Funds for the Arbitrator's fee of **\$800.00**. Payment by the Employer, of the Arbitrator's fee shall be deemed an obligation imposed by this Award.

4. The Employer, **STATE-WIDE INSTALLATION INC.**, is liable to the EASCF in this matter in the total amount of **\$17,498.21**, as specifically set forth in paragraphs 1-3 above. A check shall be made payable to the **"Eastern Atlantic States Carpenters Funds"** and forwarded to "Raritan Plaza II, P. O. Box 7818, Edison, NJ 08818-7818"; and a copy of the check shall be forwarded to the Funds' Counsel: "KROLL, HEINEMAN, PTASIEWICZ & PARSONS" 91 Fieldcrest Avenue, Suite 35, Edison, New Jersey 08837.

5. The Employer shall remain obligated to the Funds, specifically for adhering to the terms and condition of the Agreement and for submitting future contributions to the Funds in a timely manner; and

6. The Trustees of the Funds, in their discretion and upon notice pursuant to Article XXVII, Section 3, may require and direct the Employer to post a surety bond obtained from a carrier licensed to do business in the State of New Jersey, or cash escrow with the Trustees, in an amount determined by the Trustees, but not less than \$50,000.00, to guarantee the payment of Fringe Benefit payments required under this Agreement for all employees within the unit.

7. The Trustees of the Funds, in their discretion, shall cause an audit to be made of the payrolls and such other records of the Employer as are considered pertinent by the Trustees to determine the accuracy of information relating to the jobs and periods involved; and the Employer shall cooperate in the performance of said audit to determine the amount of benefit contributions owed, if any, to the Funds; and

8. In addition to paying the full Award amount, as forth in paragraph 4 above, within fourteen (14) days of receipt of the within Award and Order, the Employer shall submit the following documents to the auditor:

- A. Bank accounts;
- B. Federal and state tax returns;

- G. Any and all loans, promissory notes, bills of exchange or commercial paper made by or for the benefit of the Employer; and
- H. Any and all other documents deemed relevant in determining the financial status of the Employer by the Trustees of the Funds.

9. The Employer shall be responsible for costs relating to the audit, including: the cost and fees of the auditor; legal fees; and further fees of the Arbitrator, if services are necessary; and

10. In the event it is necessary for the Trustees of the Funds to enforce this ORDER in court, the Employer shall be responsible for all court costs including, but not limited to, the filing fee of \$400.00.
